Help Your Child Succeed in School

- Borrow books to read at home. The Library has books in many languages and in English. Reading to your child in any language will help him or her learn English.
- In the summer, encourage your child to join the Summer Reading Club and other programs
- Library staff can help your child with school projects.

Learn about services for newcomers

- Learn about the many free government and community programs for newcomers.
- Borrow books and tapes that will help you learn English.

Get information about finding a job

- Learn how to find a job, the Library has information about many professions.
- Find out about educational or professional credentials
- Get information on assessing your qualifications for work, and on how to access trades and professions

Borrow books, CD's and videos in many languages

- The Library has books, tapes, CDs, magazines and newspapers in a variety of languages.

Use computers and access the internet

- Free access to the internet
- Read the news from around the world in many languages
- Learn how to use the internet, email and the library

Have fun with your family

- Attend family events such as storytelling.
- Attend programs to improve your English and get adjusted to life in Canada
- Relax in our air-conditioned libraries

Join the Library

- To join the library you need
 - One piece of official identification
 - Proof of address – a telephone, electric or cable TV bill
- Children can get their own library card
