APPRENTICESHIP TRAINING

An apprentice learns a skilled trade on the job, under the direction of experienced workers. As an apprentice, you are considered an employee and earn a salary. More than 150 skilled trades can be learned through apprenticeship training.

Learn more about apprenticeship training at www.tcu.gov.on.ca or findlink.at/trades

Learn about the Ontario Youth Apprenticeship Program for high school students at www.oyap.com

DID YOU KNOW?

Private career colleges in Ontario are not regulated in the same way as public colleges, and they charge higher fees.

It is important to research all options carefully.
